PRINCIPAL'S REPORT

WHAT I LOVED ABOUT THIS WEEK

So many children this week stopped to tell me how excited they were about doing their home readers. It was so lovely to see such enthusiasm about their learning and I'm looking forward to hearing about more of their successes as the year goes on. Next week is shaping up to be a fun filled and action packed, so I'm sure to see lots of smiling happy faces.

DISTRICT CROSS COUNTRY

A big congratulations to Tyler Carey for winning the district cross country in his age division, we are very proud of his achievement representing our school. All the students who attended the carnival should be commended for their great sportsmanship and the pride they showed in representing our school and the effort they put into racing.

BREATHE PROJECT

Last week we had a visit from the lovely people who are launching an initiative to help children in schools learn about the importance and health benefits of learning how to take time out of their day to breathe. As a result, the school will be embracing some changes with how we line up in the area under the COLA. Calming music will be played over the loud speakers and students will be expected to sit down and practise the breathing technique they have been shown. We are hoping this will have a positive effect on all students and assist them with their learning in the classroom. It may take us a couple of weeks to get right into the swing of it, but we will persevere.

BOOK FAIR

The Book Fair has arrived at school and children have had opportunities to look and see what they might like to buy. Parents are welcome to come to the library in the mornings or after school and look through the books with their children and purchase a wonderful book to take home. Next week will be the last chance to purchase any books. A portion of the sales from the Book Fair come back to the school, and we are able to purchase books for our library.

BOOK CHARACTER PARADE

Tuesday 22nd May, we will be holding our annual Book Character Parade, it is a fun filled day with lots of things to see and do while you are at school. I hope all the students have had a chance to work out their costumes, as we love to see all the children dressed up and joining in the fun. I look forward to seeing lots of parents, grandparents, aunts and uncles on the day.

FAMILY EXPO

Our annual family expo will be held on the same day as the Book Character Parade. There will be a number of stall holders set up in the hall with lots of information for families on wellbeing and health. Be sure to stop in and have a look while you are at school.

JUMP ROPE FOR HEART

It's looking like another action packed week coming up. We have the people from 'Jump Rope for Heart' visiting next Thursday and Friday. Students will be involved in activities that are sure to be fun and get their hearts pumping. This is just another initiative to support our schools strategic direction of 'wellbeing'. Being active and having an active lifestyle is just another part of ensuring positive mental health and wellbeing for all.

Belinda Doyle (Relieving Principal)

WORDS OF THE WEEK

The difference between who you are and who you want to be, is what you do.

Thank You and Goodbye

On Thursday 24th May, I say farewell to Sanctuary Point Public School with excitement and sadness.

Thank you to all the amazing staff, students, parents and community members for making my teaching career at Sanctuary Point Public School extremely enjoyable, very rewarding and highly memorable. You inspired me to achieve greater things than I ever thought I could. Teaching at Sanctuary Point Public School has definitely been a privilege, the highlight of my career.

Thank you for this opportunity and for being part of my journey
See you soon somewhere.
Fiona Wilkinson.

Stage 2 AFL

Well done to all the students who have returned their notes and money for the Junior (Year 3 & 4) AFL Gala Day that is taking place this Friday (18th) at the Huskisson Soccer Ovals. We are confident that all of the 80 students attending will have a fantastic day! Please remember to wear your full school SPORTS uniform and take your lunch, recess and drink bottle with you. Football boots and mouth-guard are optional. If you would like to purchase a discounted AFL ball on the day they are \$15.

Showdown at Two Bob Billabong

On Wednesday 23rd May, all students will be experiencing a free, fun live performance titled Showdown at Two Bob Billabong. Two performers will lead students through a fun, colonial adventure, all while teaching important lessons about money.

There will be two shows, performed in the school hall at 1:00 and 2:00 and will be of no cost.

Attendance Matters

At Sanctuary Point Public School

Celebrate Attendance

Hints and Tips No. 3: Writing notes

Parents or caregivers are required by law to provide an explanation to the principal to say why their child was absent from school.

A note of explanation should contain:

1. Date that the note was written;
2. Child's name;
3. Days/dates the child was absent from school;
4. The reason the child was absent;
5. The signature of the child's parent or caregiver.

If more than one child from the same family has been absent a separate note for each child should be written.

A note should be brought to school on the first day the student returns to school after an absence. Your school is required to investigate all unexplained absences (where a child has been absent and no explanation has been received) within two days.

Did your child give the note to their teacher? This can sometimes be a problem with younger children.

Any absence that is not due to illness, or leave approved by the principal will normally be marked as 'unjustified'.

Students who have less than 90% attendance will be contacted by school to discuss how to improve your child's attendance.

Keep in touch if your child is away from school :

- ◆ Send in written note to the class teacher
- ◆ Using the Skoolbag App
- ◆ Phone the school if your child is not at school for 2 days in a row.
