Coles Sport for Schools

A big thank you to parents and the community for supporting the Coles SFS program at Sanctuary Point Public School. Through your generous spending, of almost \$400 000, we have raised enough vouchers to purchase some well needed sporting equipment.

A huge effort.

Thank you.

Primary Athletics Carnival Awards

This years 3 athletics carnival placegetter ribbons and age champion medals will be handed out at next Wednesday assembly 20/06/18 at 12:00. Parents are welcome to attend.

Children Crossing

Last Thursday afternoon we had an incident where a lady driving a white 4WD speed over the children crossing and just missed hitting one of our students. Please be aware around the school at drop off and pick up times. Children are unpredictable and will just run out of school grounds.

PRINCIPAL REPORT

WHAT I LOVED ABOUT THIS WEEK

As we are approaching the end of the semester some of our students are starting to receive their Gold Certificates. These students have shown throughout Term 1 and 2 a strong commitment to their learning by coming to school consistently, working to the best of their ability and following our school rules. We are very proud to see so many of our students reaching gold. Some of the teachers have told me that there are students who are reaching gold for the first time, which is a great achievement. I'm sure there will be more students who reach gold by the end of week 8, which is the cut off date.

SCHOOL UNIFORM

Over the last few weeks we have felt the colder weather creeping in, with that we are starting to see many different variations, that do not form part of the school uniform, being worn to school. Some of the unacceptable clothing are jumpers that are not bottle green and girls in green tights. We like to see our students wearing their school uniform with pride and it reflects well on the school and the students when they do. If your child comes to school out of uniform, they will be allowed to check lost property for any unnamed items that they can borrow for the day. If your child's clothing is **labelled** it **makes it much easier to find** and return to them. Please assist us by helping your child make the right choice when they are getting ready for school each day. If you would like to volunteer to help out in our uniform shop please contact Renee or Keira in the front office. Our school uniform shop is open on Monday mornings for all your uniform needs.

SCHOOL DROP OFF ZONE

Just a quick reminder to all our parents to make sure that you are using our school drop off zone correctly. Unfortunately, a few of our parents have been using the bus zone when dropping their children off. The police have been making the rounds of our school and given out fines for quite a considerable amount. The drop off zone is clearly marked out the front of the school, and parents are reminded that it is just for letting your children out of the car quickly and then moving off.

Attendance Matters

At Sanctuary Point Public School

EVERY MINUTE COUNTS....

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...
10 minutes a day	50 minutes of learning each week	Nearly 1½ weeks per year	Nearly ½ a year of school
20 minutes a day	1 hour and 40 minutes of learning each week	Nearly 2½ weeks per year	Nearly a year of school
½ hour a day	½ a day of learning a week	4 weeks a year	Nearly 1 ½ years of learning
1 hour each day	1 whole day of learning each week	8 weeks per year or nearly a term a year.	Over 2 ½ years of learning

Your child's best learning time is at the beginning of the day...

**School starts at
9.15 am
DON'T BE LATE!**

Celebrate Attendance

Hints and Tips No. 2: Teaching good habits

It is important for parents to make attending school a priority.

Allowing children days off for birthdays, to look after younger children, to go shopping, to keep you company or because they were tired from a late night, not only sends the wrong message to your child, it is also against the law.

Children who get used to having days off school for these kinds of reasons develop an attitude that their attendance at school is not very important. This can become a big issue as a child gets older.

Teach your children that being on time is important. Children that are often late to school miss the part of the school day when the teacher explains new activities. The beginning of the day is also when many students are freshest and can concentrate better.

Students that are late on a regular basis may become the target for comment by other students and often as a result isolate themselves from their peers.
