# PRINCIPAL REPORT

## WHAT I LOVED ABOUT THIS WEEK

Over the last few weeks, I have watched our class teachers working very hard preparing half yearly school reports. All of our teachers do a wonderful job getting to know their students and where they sit academically, then present this information to parents. But having reports is only half the job, it is also really important for parents to make the time to come up to school and have a learning conversation with the teachers and the student. The more we are able to work together the better the outcomes for the students. I know that teachers will be sending home notes with appointment times, if you find none of those times are suitable please call the teacher and let them know a time you can make and I'm sure they will be able to accommodate.

## HELMETS

It has come to my attention that some students having been riding bikes and scooters to school and not wearing helmets. It is mandatory for children to be wearing helmets that are properly fitted when riding, this is for their own safety. If your child uses their bike or scooter when they come to school please have a discussion with them about making sure they wear their helmet every time. I will be calling parents if I see students arriving at school without a helmet, just to let them know.

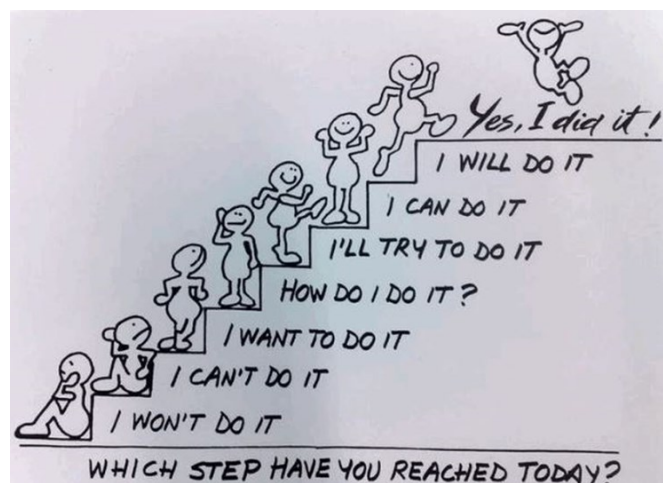

## PARKING AT SCHOOL

It has been brought to my attention once again, by a parent that police have been fining people who have used the school bus zone to stop and pick up their children. Our drop off zone for parents to use is located just past the bus zone, please make sure you drive into that area to stop and pick up your children. I would hate for anymore parents to receive fines as they can be as much as \$330.00. I have also noticed that some people have remained in their car in the drop off zone for an extended period of time waiting for the bell, this is not permitted and please don't be offended if someone asks you to move along. If we can all work together and be thoughtful of the fact that we all want our students to be able to get home safely, it would be appreciated.

## ROAD WORKS

The council has just informed us that they will be carrying out road works for the next 10 weeks, starting Monday 25<sup>th</sup> June. Access to Kingsford Smith Avenue from Paradise Beach Road will be closed off. This means that we will have to go around the long way to get access to the school. Fingers crossed I don't get lost!!

# Attendance Matters

At Sanctuary Point Public School

## for any day your child is absent.

There are a few ways you can do this..

### ◆ A written note to the class teacher

Stating:

- Your child's full name,
- The date they were away
- The reason they were not at school
- Your signature and the date

### ◆ Using the Skoolbag App

- Using your smartphone open the App and click 'eForms'
- Choose 'Absentee Form' and fill in your child's details.

### ◆ Phone the school if your child is not at school for 2 days in a row.

- A written note should still be sent to school with your child, along with a Dr. Certificate where appropriate.

## Celebrate Attendance

Hints and Tips No 1: Responsibilities

Parent/s or caregivers are required – by law – to provide a written or verbal explanation to the Principal within seven days of any absence as to why their child was not at school.

It is important that the school receives a written or verbal explanation because:

- (1) It is a parent's legal obligation to explain their child's absence within seven days
- (2) It is a requirement that the school investigate all unexplained absences
- (3) It avoids the school and the School Attendance Officer from making unnecessary investigations
- (4) It is the way the school knows that your child was legitimately absent and not truanting from school

If you have any difficulties in providing a written explanation for your child's absence, please contact your school principal.

Missing school leaves gaps in your education

Any absence that is not due to illness, or leave approved by the principal will normally be marked as 'unjustified'.

Students who have less than 90% attendance will be contacted by school to discuss how to improve your child's attendance.
