

27th June—Term 2 Week 9 2018

WALAWAANI NJINDIWAAN (Welcome everyone)

Girls basketball team goes down 46-21

Today was a tough day for our girls basketball team who played to the best of their ability against an extremely talented Nowra Public School team in the fourth round of the state knockout. The first quarter was a fast paced up and down game with points being scored quickly on both ends. Sanctuary Point got off to a good start and shared the ball on offense with Jasmin Grant showing a great touch around the basket. Nowra Public had a clear height advantage which saw them grab most of the rebounds for not only the first quarter but the whole game.

The halftime score saw our girls down by 9 points. During the third quarter the SPPS girls showed great character and resilience and started to play a tight defense. Agnus Dann came away with an abundance of steals allowing for her sister and teammate Priscilla to make some fast break away baskets. Maddy Murton also came up with another steal and was fouled on the shot, making her second free throw.

The last quarter was where Nowra began to shoot even better and making it very hard for our team to score. The end result ended up being 46-21, but the score doesn't do justice for how tough the game was for both teams.

Mr Slater would like to congratulate the girls for making it to the fourth round of the State Knockout and for showing great sportsmanship by playing fair with a great attitude. Also a further thank you to parents who helped out with the transport and Georgina and Mrs Brown for coaching, we greatly appreciate it.

We are all very proud of your efforts girls, well done!

PRINCIPAL REPORT

WHAT I LOVED ABOUT THIS WEEK

What an exciting time was had in 4 Djunnga this week, as their classroom was turned into a spaceship and they all spent the day immersed in the world of space travel. The smiles and pleasure the students had I'm sure went a long way to helping inspire lots of creativity when it came to doing some creative writing. It was an experience that the students will remember and talk about for years to come. Well done Mr Slater for being so imaginative and raiding everyone's black sheet collection to make it happen.

SCHOOL REPORTS

We are coming up to that very exciting time of the year when our half yearly reports are sent home. This Friday your child will be given their report to bring home, I'm hoping that all parents have been able to make a time with their child's class teacher to have a 3-way learning conversation, if you haven't done so yet, this is a reminder to book in. I really enjoyed getting to read everyone's report and learn a little more about each of the wonderful children we have in our school. We have many students in our school who are working very hard and trying their best every day. Big congratulations to all our students who have worked hard this semester.

OUTSTANDING STUDENTS

Any students who receive a 5 for effort or an A on their reports, will be receiving an Outstanding award for all their hard work. This will be given to students at a special assembly followed by a morning tea, that will be held early in term 3.

NAIDOC WEEK CELEBRATIONS

Next week is the last week of term 2 and the school will be holding our Naidoc week celebrations. We will begin on Monday with a school assembly, Kindergarten and Year 1 assembly will be at 10.15am. A longer assembly will be held for the 2-6 students at 12.15pm. Parents are invited to attend and join in our celebration assembly. On Friday the whole school will be involved in fun activities for the day and it will be a mufti day, students are to wear the colours red, black, green, blue, white and yellow and what a great way to finish off the school term.

Celebrate Attendance

Hints and Tips No. 2: Teaching good habits

It is important for parents to make attending school a priority.

Allowing children days off for birthdays, to look after younger children, to go shopping, to keep you company or because they were tired from a late night, not only sends the wrong message to your child, it is also against the law.

Children who get used to having days off school for these kinds of reasons develop an attitude that their attendance at school is not very important. This can become a big issue as a child gets older.

Teach your children that being on time is important. Children that are often late to school miss the part of the school day when the teacher explains new activities. The beginning of the day is also when many students are freshest and can concentrate better.

Students that are late on a regular basis may become the target for comment by other students and often as a result isolate themselves from their peers.
