PRINCIPAL REPORT

WHAT I LOVED ABOUT THIS WEEK

This week was Public Education Week and what better way to start the week than with an assembly to celebrate our outstanding students. Students who have excelled in their efforts at school, who had received either an 'A' for achievement, a '5' for effort or 100% attendance in the first semester. It is always important for us to acknowledge and celebrate outstanding efforts that our students put into their education. Students and parents then had the opportunity to share a lovely morning tea. Congratulations and well done to all those students.

EDUCATION WEEK

Next week, Public Education Week will be celebrated across the state. This year's theme is 'Today's schools – creating tomorrow's world'. It celebrates how NSW public schools are equipping young people with the skills and capabilities they need to thrive in a rapidly changing, globalised world. On Monday we will be having activities that parents are encouraged to be a part of by spending some time at school with your children.

OPEN CLASSROOMS

Parents had the opportunity to spend some time in their child's classroom on Monday and see some of the work happening in classrooms. I know that our students always enjoy having a chance to share their work with family, and I'm sure our families loved getting an insight into what happens. Thank you to the family members who were able to make it up to school on Monday. If you were unable to get into school following our classes on Instagram is another way of feeling involved in our daily school life.

SCHOOL DROP OFF ZONE

Our school drop off zone is located at the Idlewild Avenue entrance to our school, just past the school bus zone. This area is indicated as a no parking zone, parents are able to remain in the zone for a short period, whilst still in their car. I have spent last week and this week, each afternoon, talking to parents, making sure they are aware. Previously some of our parents have been fined by police for not using the zone correctly, these fines have been around \$300. We do not want to see any of our parents having to pay fines like this. It is really important that everyone understands how to use the zone effectively both for the safety of our students and other motorists. I appreciate the understanding that parents have shown in making use of the zone correctly and look forward to us continuing to put all students safety first.

STAGE 2 PROJECT BASED LEARNING (PBL) SHOWCASE

This Friday our students in stage 2 (year 3-4) will be showcasing the work they have done in literacy. They will held in classrooms at different times throughout the day. Please check class Instagram accounts for further details or check with your child's class teacher.

MINISTRY FOR MONEY SUPPORTING OUR FARMERS

The students involved in the Ministry for Money have decided that they would like to see our school do something to support our farmers in need. It is great to see our students wanting to reach out and help those less fortunate, who are doing it tough at the moment. After meeting last week it was decided that the school would hold a mufti day and the theme is 'farmers or pyjamas,' students should come to school either dressed as farmers, or something from the farm, or they can wear their pyjamas. It should be a fun day and raise money for a great cause.

Belinda Doyle (Principal)

WORDS OF THE WEEK

Life is not about waiting for the storm to pass but learning to dance in the rain.

LILLY PILLY	GALANGARA	250

Shake Rhubarb and Roll

On Monday the 13th of August, all Early Stage One and Stage One (K,1,2) students will be experiencing a free, fun live performance titled *Shake Rhubarb and Roll*. "Colourful props, hand puppets, marionettes and heaps of humour are all combined in this very visual comedy to get across the important messages of healthy eating and lifestyle." The show will be performed in the school hall at 12:00 pm and will be no cost.

Home Reading Achievements

During week 5 (20th till the 24th of August) our school will be celebrating Book Week. This event is a yearly celebration which brings children and books together.

This year our theme is

“Find your Treasure”.

As part of the celebration, your child's class will have been reading some of the titles which have been short listed as well as doing some research about our visiting author, Matt Cosgrove and his work. Your child's class will also be involved in learning activities surrounding the theme and the books which have been nominated.

Other things that will be happening at school as part of the celebration

- Book Swap
- Mini Book Fair – 20th till 24th August
- Author Visit – Matt Cosgrove – Monday 27th August, running writing workshops for each stage group.

BOOKSWAP

BOOK WEEK BOOK SWAP

Need a book to read that you haven't read before? Sick of reading the same old books? If so, bring in a book to swap!

Please Note: Students are able to bring in more than one book however they will only be eligible for one raffle ticket. All books must be appropriate for children.

Bring in a children's book from home

Give it to your teacher

Get a raffle ticket

Use your raffle ticket to select another book

Take your book home!

Each student can also use their raffle ticket to go into the draw for \$60 worth of new books from the book fair!

Shoalhaven Equine Assisted Learning

Step Up

No horse experience is necessary and no riding is done in any session

Renee O'Connor is an accredited practitioner with The Equine Psychotherapy Institute of Australia with extensive experience within the Community Services Sector working with families, adolescents and children

Attendance Matters

At Sanctuary Point Public School

Celebrate Attendance

Hints and Tips No. 4: Good Attendance

Give your child their BEST chance in life— get them to school EVERY day.

There are a number of sound reasons for you to ensure that your child attends school regularly.

Education is the most powerful weapon which you can use to change the world.

- Nelson Mandela

In one school year
a child spends:
7800 hours at home
&
900 hours at school
which teacher should be
the most accountable?

- Jim Trelease -
author of The Read-Aloud Handbook

Firstly, attending school every day makes learning easier. For younger students, missing the basic skills often leads to learning problems later on and for older student's absenteeism often interferes with academic progress. Friendships with other students are also easier if your child attends school regularly.

The law in NSW states that all children between the ages of 6 and 15 years are required to attend school. Sickness or injury, attendance at a special religious ceremony or a serious family situation are satisfactory reasons for non-attendance. Please let the school know why your child is not at school and provide an explanation on your child's return to school.

Birthdays, haircuts, pension days, Mondays etc are not satisfactory reasons for absence from school. Also try whenever possible to arrange your holidays in school vacation times.

Please contact your school principal if you need any help or have any questions.

Missing school leaves gaps in your education
