'Together We Succeed'

Term 1 Week 3

Principal Report

WHAT WAS SO GREAT THIS WEEK

I was so impressed with the wonderful group of teachers who took over 100 students down to Lake Tabourie for 2 nights of camping. As well as the teachers who went down after school just so they could help out and spend time getting to know their students. We have an extremely dedicated group of teachers who go above and beyond to support the learning and wellbeing of our students. It never ceases to amaze me what a wonderful experience 2 days of camping at the start of the year does for helping teachers and students build a great bond that will last throughout the year. I would also like to thank the wonderful parents who gave up their time to make sure all the children were well fed, they do such a wonderful job. If you get a chance please take the time to acknowledge the efforts of your class teachers.

SCHOOL RADIO

This year we are very excited to announce that with the help from our friends at the BCCR in particular Brad Slaughter, that we are running an 'in school' radio show every Thursday lunchtime. Students will enjoy listening to music and might get a chance to choose the playlists. This initiative will only help to strengthen the skills of the students who are learning how to run the community radio show on 92.7FM every Monday afternoon from 2-3pm.

SCHOOL UNIFORM

It has come to my attention that some of the girls are wearing 'skorts' as part of their school uniform. Just because they are bottle green does not mean they are school uniform. Girls are to wear school box pleat shorts that are available from the P & C run uniform shop at a cost of \$25. We would like our students to take pride in our school and they look great when they all have the same uniform on. Sanctuary Point Dollars can be used to pay for school uniforms.

SCHOOL DROP OFF ZONE

The school drop off zone that is located in Idlewild Avenue, directly after the school bus zone has very particular rules that need to be followed in order for us to ensure the safety of all our students. Please make sure you follow any directions given by staff who are there managing the area. It is not a parking zone or a place that you can stop for an extended period of time, even if you are sitting in the car. If your child takes a few minutes to get out of class it may be a good idea to get to school a bit later after the bell. We don't want to see any parents having to pay a \$300 fine. Thank you for your cooperation in this matter.

MEET AND GREET

Next week the school will be hosting 3 'Meet and Greet' afternoon/evenings for all parents and carers to get to know the class teachers and executives. Tuesday will be Stage 3 (year 5 and 6), Wednesday is Stage 2 (year 3 and 4) and Thursday will be Stage 1 (year 1 and 2). We look forward to as many parents as possible coming up to school, meeting the teachers, executives and sharing a sausage sizzle. We will finish the gathering with performances from the students. I will be at the Tuesday afternoon get together but unfortunately I won't be able to attend Wednesday and Thursday, but Mr Chapple will take my place.

Meet Our OSHC Team

The Educators managing our Outside School Hours Care programs at schools are passionate and make sure they always provide a wide range of activities that engage all children each and every day.

They thoroughly enjoy what they do and take their roles very seriously. Educators at Camp Australia are experienced and qualified with expertise in working with children in OSHC. As part of their role as an Educator with Camp Australia, they have completed compulsory training in Active Supervision (VSHAPE), Child Protection and Camp Australia policies and procedures to ensure the service is safe and engaging for all children in their care.

Throughout the duration of our OSHC program, Educators can be seen actively engaging with the children who attend OSHC. If you haven't met the Educators at your school, please feel free to pop in and visit our Outside of School Hours Care program.
