'Together We Succeed'

Term 1 Week 5

Principal Report

WHAT WAS SO GREAT THIS WEEK

The continued success of the parent Meet and Greet afternoons. We have now completed all of our get togethers. I hope that all the parents enjoyed the class performances. If any parents weren't able to make it up to school yet, please make an appointment with your child's class teacher. It is so important that teachers and parents build a connection between home and school. We are all working together to create a positive environment where student learning is optimal, this is always more successful when communication between home and school flows easily.

POSTPONED YEAR 3 SLEEPOVER

Due to a severe outbreak of head lice in some Year 3 classes, and in the interest of public health, we have had to postpone the Year 3 sleepover. It will allow time for parents to treat their children and for the school to organise a bug busting session. The new date for the sleepover will be Thursday 28th March 2019.

SCHOOL FAIR

Preparations are furiously underway for the fast approaching P & C School Fair. Our wonderful volunteer parents have been making all the preparations for a successful school fundraiser. The fair is on Friday 15th March, from 3-7pm. Please mark the date on your calendar, we are looking forward to seeing lots of families coming to enjoy the fun. It is also wonderful to know that lots of teachers have also volunteered to help run stalls.

KINDERGARTEN SUPERHEROES PICNIC

All of the students in Kindergarten had a fabulous day eating healthy food and playing fun games. There should be lots of photos to see in the newsletter. It was a fabulous success and lots of fun was had by all the staff and students.

Request for administering prescribed medication

Parents/Carers please be aware that if you wish the office staff to administer medication to your child while at school, a request for support of a student's health condition form is required prior to administering any medication. We can not give students medication without doctors details, the name of the medication, the amount to be taken and the time-to be.

Loose Change Challenge

Do you want to paintball a teacher?

Here is your chance. Mr Slater, Mr Brown and Ms Doyle will be paintballed at this years School Fair held on Friday the 15th of March.

The top 3 classes that raise the most money in the Loose Change Challenge in order of 1st, 2nd, 3rd will choose their victim to paintball and 1st place receives a class pizza party.

How to enter the Loose Change Challenge ?

1. Students collect as much loose change as possible (seek parents/guardians permission first)
2. Place your loose change in class containers.

The class that raises the most money wins!

Loose Change Challenge Leader Board:

Garungubba	\$3.05 per student
Bangawu	\$2.25 per student
Gungara	\$1.72 per student
Gurgadj	\$1.70 per student
