Term 3 Week 10 2019

Principal Report

WHAT WAS SO GREAT THIS WEEK

What a great finish to term 3 we have had this week. Year 5 represented our school proudly when they ventured off to Sydney for 2 days, it was an action packed few days and the teachers did a wonderful job making sure it was successful. A big thank you to Miss Hall, Mr Butel, Mrs Atkins and Mrs Porteous. At the same time year 6 were immersed in 2 days of well-being activities. I know I had the chance to speak to a lot of the year 6 students who really enjoyed all the planned activities and took some important information from each session. Mrs Marr did a fantastic job of organizing everything for the 2 days. Thank you Miss Marr for all your hard work and effort is organizing such a worthwhile initiative.

BIKE WEEK

In recognition of Bike Week, on Wednesday this week the NRMA visited our school to run educational sessions with the whole school. Each stage will be learning about safety, through an entertaining show, for when they ride their bikes, including wearing helmets and how they need to be fitted. As well as car safety and sitting in a booster seat. Thank you Mr Browne for organising this visit, helping to keep our students safe.

GRANDPARENTS DAY

We are very excited to be inviting our Grandparents into the school on Friday morning. All classrooms will open from 10.00am for Grandparents to come in and join in with the classroom activities. During lunch Grandparents are welcome to take their Grandchildren with them to the hall to enjoy some morning tea and refreshments. Students will need to be accompanied by an adult. After lunch our Grandparents are invited to stay on and watch the festivities of the splash n dash.

SPLASH N DASH

Friday is fast approaching and the organization for the splash is well in hand. The P & C are doing a wonderful job of coordinating everything. We are looking forward to seeing lots of our parent community join us on the day for the fun festivities. Any cash that students have collected should be returned to school on Friday and the P & C parents will be setting up in front of the canteen to collect the money from students.

SCHOOL HOLIDAYS

This Friday is the last day of term 3 and I know a lot of students and teachers are looking forward to having a well earned break to rest and recharge ready for term 4. The great news is that term 4 starts on Monday 14th October. Don't forget that vacation care runs at our school throughout the school holidays with some fun activities. Contact Camp Australia if you would like to find out more information about the costs and planned activities.

Belinda Doyle (Principal)

"Continuous effort - not strength or intelligence - is the key to unlocking our potential." - Winston Churchill

10am - 11.15am

Following the open classroom we
invite our grandparents to join us for
Morning Tea in the hall from 11.15am
before the splash n dash commences at
11.55am

Week 10 of this Term and during Week 1 and 2 of next Term, our school will be participating in the *Partners in Learning* parent survey, another part of the

Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers'

perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey can be completed entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will close on 25 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated. Please keep an eye on the link to access the survey on our school Facebook page.

Thank you

Kindergarten Transition Session 2 is now running!

Bring along a packed Lunch and join our friends in further exploring Big School. The session will include lunch, group activities and Classroom Visits

Thursday 26th September
