Term 4 Week 9

Principal Report

WHAT I LOVED ABOUT THE WEEK

It was wonderful to see so many parents at school on Monday celebrating the efforts and achievements of our students. Our students have worked hard over the semester and their efforts no matter how big or small should be applauded. We saw lots of smiling happy faces especially at the morning tea afterwards, when they saw the chocolate cake! The theme of celebrations is going to be continued for the remainder of the year. We have a number of fun days coming up.

SCHOOL TEAM BAR-B-QUE

This Wednesday students who are in the winning school team, Babadal, will be given some extra play time after lunch and also enjoy a sausage sizzle. There will be some organised games and activities for the students to join in with. They will finish off with an ice block.

PARENT HELPER MORNING TEA

This Thursday at 11am, we will be holding our annual thank you morning tea. All our staff appreciate the time and effort our volunteer parents and friends give to our school and students to support their learning. We look forward to sharing some yummy treats as a small token of our appreciation.

GOLD DAY

This Friday our students who have reached gold, on the rocket chart, this semester have been invited to have a day at the beach to celebrate their achievement. We are working on a back up plan if the weather is inclement.

These students have maintained a good attendance record, followed the school rules and strived to do their best in class. Students attending are reminded that it is important to be sun safe, so make sure to bring a rash shirt and sunscreen.

PRESENTATION DAY ASSEMBLY

Next Monday we will again be inviting some of our parents up to school to join us in celebrating the achievements of some of our students. The assembly will be held in the COLA and start at 10am.

CHRISTMAS GIVING TREE

We are starting to see the generosity of our community with presents starting to stack up under the 'Christmas Giving Tree'. 'Smile at Christmas,' is a 'giving tree' that is located in the foyer of the front office. Christmas tags have been attached ready for anyone who would like to buy a christmas present for an underprivileged child, wrap it up and return it to school underneath the Christmas tree. We are grateful to support the people from 'smileelite' who are organising to pick up and distribute the gifts where they are needed.

For the past 2 weeks our new 2019 Kindergarten students have been participating in our Kinder Start Transition visits. It has been a fantastic opportunity for teachers and students to meet each other and join in on some learning in the classroom. Our parents have also been participating in learning of their own to help them support their child in a successful transition to school. A big shout out to Karen Chamber and the Bay and Basin Community Resource Center for their incredible support this year. To everyone involved we appreciate your support and we look forward to seeing you all next year.

Kinder Best Start appointment letters will be sent out by post during the holidays. Please if your address has changed. If you are yet to enroll and are looking at attending Sanctuary Point Public School in 2019 please come and see our friendly office staff.

We look forward to seeing you all bright and early next year.

NSW Fisheries kids fishing workshops on the south coast for kids between 8-14 years old

the workshops are run under NSW Government safety guidelines with trained staff and volunteers that have both Working with Children and Criminal History checks

the kids have a great time learning about safe, sustainable fishing over four hours, as well as getting quality fishing gear to take home

more information is in the attached flyer and on our website, www.dpi.nsw.gov.au/fishing/recreational/resources/fishing-workshops/kids

the next workshop in your area is at Greenwell Point on the 8th of January 2019

Bookings are now open for our latest school holiday programs – **STEAM Works**. Based on STEAM learning – Science, Technology, Engineering, Arts, and Math – it will be full of activities that have fun learning outcomes.

Some of our brand new activities include making a mini soccer table, cool science experiments, solar powered cars, putting on a show with shadow puppets, excursions, and heaps more.

Book now. To find out when these activities are on during the school holidays and join in the fun, visit: www.campaustralia.com.au/holidayclubs.

Or you can call our friendly Customer Care Team on **1300 105 343** - 24 hours a day, 7 days a week.

We look forward to seeing you and your family during the school holidays
